**Blessings all around! from Thane & Charlotte White**

The last few weeks have been very eventful. Our crates arrived safely with all our belongings, even though one crate had been opened by customs. It was an all day event of unpacking, unloading, repacking and moving.

We are visiting new areas to encourage and teach small village churches. Thane's weekly pastors' classes in Arusha have been a blessing to us and the pastors. We are making many relationships and networking with pastors from long distances.

**Please join us in prayer for:**

- The new Tanzanian partners God is preparing to join us in ministry. We have began working with a few new partners and it is going well. We see a great need for ministry to children.
- Our daily walk with The Lord, and time for study and preparation for teaching.
- Upcoming teaching opportunities and new areas we will be visiting.
- Additional ministry resources so the pastors may receive backordered materials. That new languages can be added soon.
- Praise for God's provision of storage and safe arrival of our crates and provision of a vehicle we have dedicated to Kingdom work.
- That we would be able to wisely choose between the many ministry opportunities and requests that we receive.

Thank you so very much for all of your prayers, emails, and encouragement! Keep in touch! They mean so much to us! May the Lord bless you all.

Thane and Charlotte White
